**Jonas Södergren**  
Product manager

# JOBTECH

The labour market ecosystem for digital  
innovations

# OPEN SOURCE AS AN ENABLER?

- Make impact by:
  - Start **sharing** resources
  - Working **together**

#goodshitforsweden

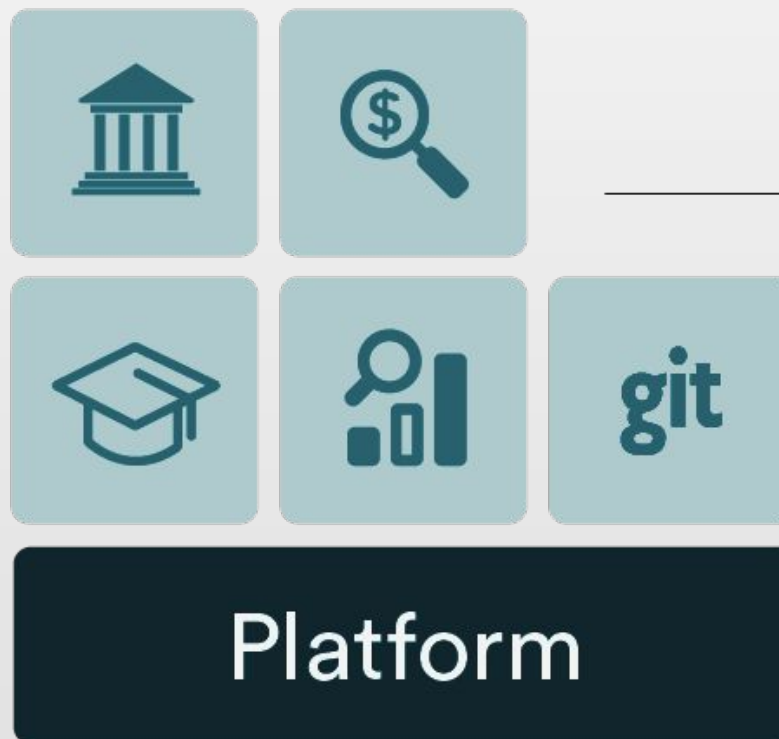

# HOLISTIC VIEW

## Sharing

• —————

- Data
- Knowledge
- Resources
- Services

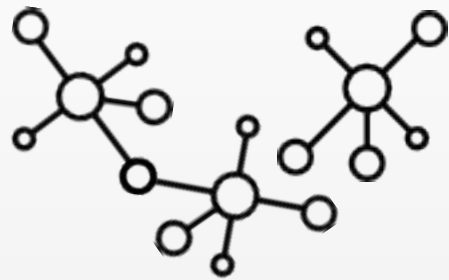

## Contributing actors

• —————

- Academia
- Research
- Public sector
- Private sector
- Developers

A fundament for tech-based actors to collaborate in a transparent environment

# PURPOSE

Facilitate the matching between

*need* and *opportunity*

on all levels

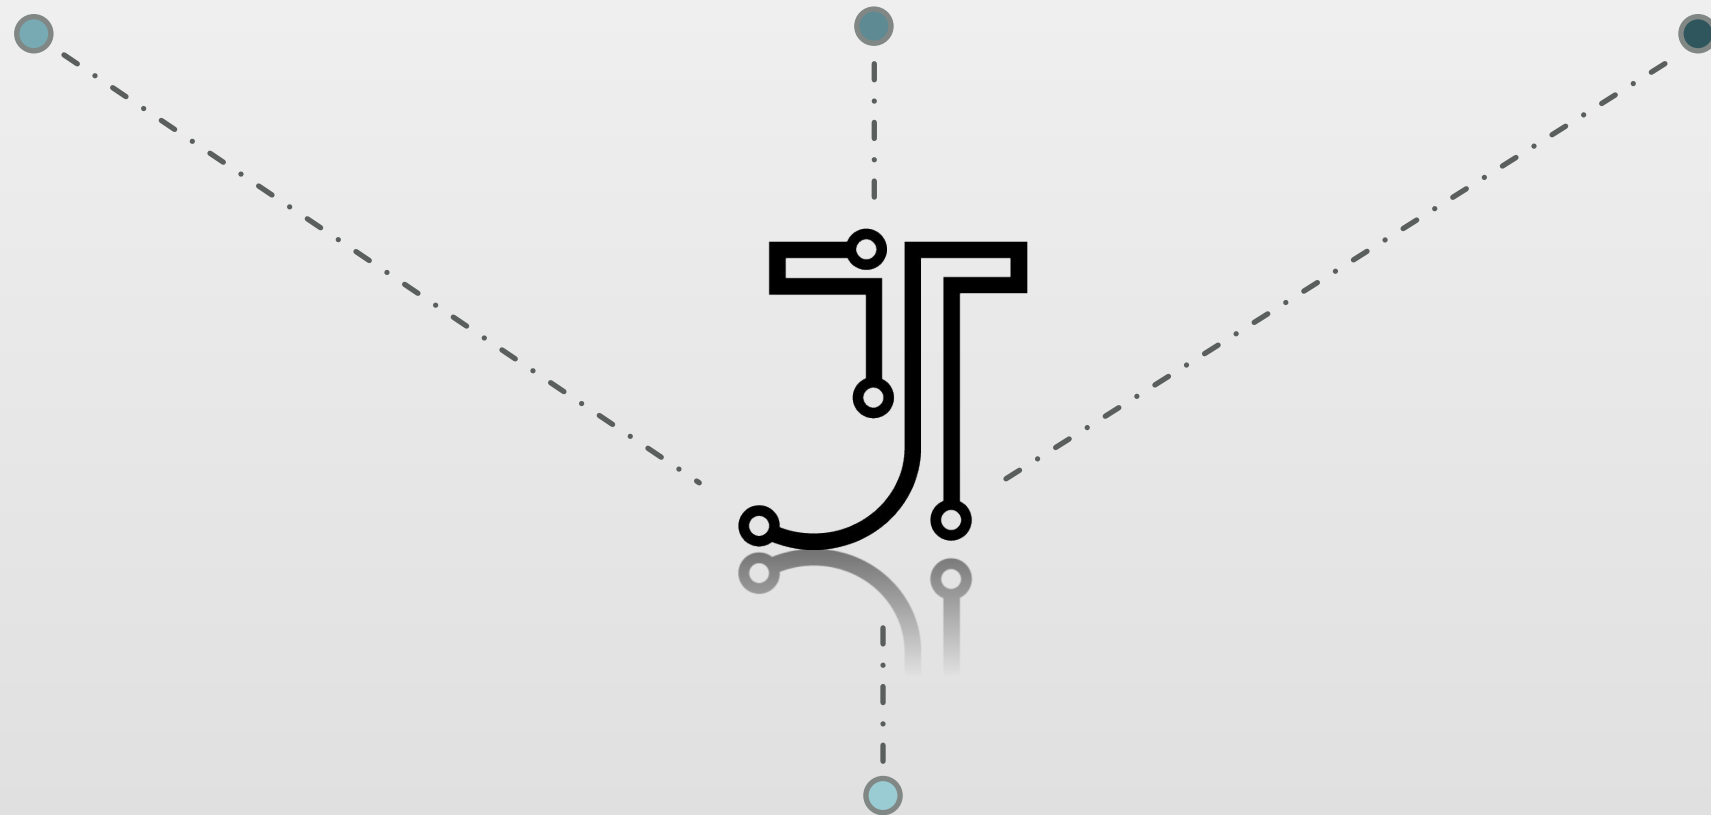

# VALUES

Collaboration

Innovation

Communication

A more open, transparent and efficient labour market

# JobTechDev.se

- An open resource portal for software developers
  - Provides access to data, tools and inspiration to the technical innovators within the labour market arena
  - Contributes to an increased supply of open data in an open ecosystem
  - Facilitates innovation

# PULL REQUEST :)

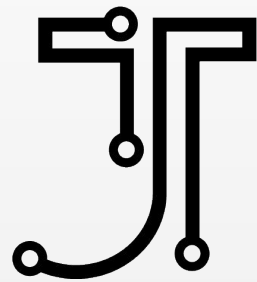

- We need your input

We want YOU to be our first followers

What's the first step?

What do you need from us in order to contribute?

THANK YOU!
